Dear Sir:-

Re: McLellan, McEwen L.

Prince George, B.C.,  
File No. 51-4716

I have your letter of the 5th March, relative to your enquiry as to the age of the above named who has stated that he applied for homestead entry near Medicine Hat, Saskatchewan.

Our records indicate that one E.L. McLellan applied for entry for the N.E. 36-11-2-W-4th Meridian, in the vicinity of Medicine Hat, Alberta. This entry was subsequently cancelled.

I regret to inform you that we do not have a record of his age. Had he completed his duties and applied for Patent his age and nationality would have been indicated on his application.

Yours very truly,

*G. K. LeCapelain*

Sir,-

It has come to our attention there is a small fractional area in Section 2, Township 14, Range 1, West 5th. Meridian that was retained by Canada at the time of the transfer of the natural resources, such area having been transferred to the Department of Agriculture.

According to the best information available to us it would seem these lands were reserved for drilling purposes but have not been used as such since 1909.

Recent investigation shows the land cut by a draw on the west and that the northern part is in the creek flats.

About ten or twelve acres have been cultivated and this land is being used by H.P. Streeter of Stavely who has been cultivating the land for the growing of green feed.

There are a number of applications for this land and as the property seems to be no longer required for the purpose for which it was reserved, it appears that same ought now to be transferred to the Province for administration.

SUMMARY: The purpose of this study was to determine the effect of a 12-week, low-intensity, low-impact, and low-volume exercise program on the physical fitness of sedentary, middle-aged women. The program consisted of three sessions per week, each lasting 30 minutes. The sessions included a warm-up, a low-impact aerobically demanding activity, and a low-intensity resistance training activity. The results of the study showed that the program had a positive effect on the physical fitness of the women, with significant improvements in cardiovascular fitness, muscular strength, and body composition. The program was well-tolerated by the women, and the results suggest that it may be a suitable exercise program for sedentary, middle-aged women.

Sir,

In reply to your letter of the 23rd ultimo, addressed to Mr. H.O. Coffey, of this Department, stating that you have purchased from the Canadian Pacific Railway Company the S.E. 1/4 of section 9, township 40, range 10, west 3rd meridian, and that you now desire to obtain the portion thereof shown on the plan of survey as covered by water, containing 11.5 acres, I am directed to inform you that under the present practice of the Department in cases where the waters have wholly and permanently receded the land formerly covered by water may be disposed of to the registered owner of the remainder of the quarter section, upon the latter filing in this Department an abstract of title, obtained from the Land Titles Office, so that he is the registered owner of the quarter section in question, together with a statutory declaration setting out therein that the land shown on the township plan as covered by water has become dry land. A report from a Homestead Inspector is also required in all such cases, and in the event of the application being entertained the applicant must pay for the area formerly covered by water at the rate of \$1.00 an acre.

Sir:

I have the honor to acknowledge the receipt of your letter of the 11th inst. in relation to the application for a patent for the use of the word "Potato" as a trade mark for the purpose of designating the product of the potato plant. The word "Potato" is a common name for the product of the potato plant and is not a distinctive name for the product of the potato plant. It has been held by the Registrar of the Land Registration Office that the word "Potato" is not a distinctive name for the product of the potato plant and is not a trade mark. I am therefore unable to issue a patent for the use of the word "Potato" as a trade mark for the purpose of designating the product of the potato plant. For the purpose of the application, please refer to the application with that effect. I am very respectfully and very truly, Sir, your obedient servant.

MEMORANDUM:-

Mr. Oliver Hagen, who made homestead entry on the 24th March, 1906, for the S.W. 1/4 of Section 24, Township 46, Range 2, East of the 10th Meridian, executed a release of one acre of his homestead for a school site, notwithstanding the fact that his homestead of Section 24, Township 46, Range 2, East of the 10th Meridian for patent has not yet been issued. It is apparent, however, from a review of the record on which has now been received that this release is in violation of the law, and without any intention of the law to the contrary. The release, therefore, has to be returned to the owner, and the homestead, the S.W. 1/4 of Section 24, Township 46, Range 2, East of the 10th Meridian, is waived.

I hereby certify that no forfeiture has been incurred by the execution of the above mentioned release, of the one acre of the quarter section referred to.

- What does  $f$  do to an element  $w$  which is fixed by the action of  $\text{stab}(w)$ ? Since  $f$  is a permutation, it maps  $w$  to an element  $fw$  which is also fixed by the action of  $\text{stab}(w)$ . But  $\text{stab}(w)$  is a maximal subgroup of  $G$ , so  $fw = w$ . The Attached report, with recommendations of the Chief Collector of the Collection Branch, Department of Municipal Affairs, dated January 27, 1934, has been submitted to the Agricultural Relief Adjustment Board, and in the opinion of the Board the proposed adjustment is fair and reasonable and it is desirable that it be accepted.

In accordance, therefore, with the provisions of the Agricultural Relief Adjustment Act, Revised Statutes of Alberta, 1927, it is AND BE that the recommendations for the adjustment and settlement of the said account contained in the said report, be and the same are, hereby APPROVED AND AGREED TO.

Joint Relief Advances

The above party obtained the following Joint Relief Advances giving as security liens on the title to the above land.

|                                 | <hr/> 544.65 |

Title to the parcel above described stood at one time in the name of the debtor but taxes were allowed to accumulate with the result that the municipality eventually acquired title under provisions of the Tax Recovery Act.

This parcel has now been sold by the municipality to the St. Mary and Milk Rivers Development for the nominal sum of four hundred and eighty dollars (\$480.00). The Colonization Manager advises that in addition to monies expended for the purchase of this land, the costs of irrigation works in respect to same will be seven hundred and fifty dollars (\$750.00). The sale price of this parcel, including water right, has been established at five hundred and seventy-five dollars (\$575.00), resulting in a loss in these negotiations of five hundred and fifty-five dollars (\$555.00).

As the development of the project referred to herein is a joint Provincial-Dominion undertaking any demand for monies in settlement of this debt would only add to the cost of the project from public funds. It is therefore, my recommendation that the liens relating to this debt which presently encumber title to the NS. 22-9-12-W.4th be discharged.

Yours very truly,

MEMORANDUM:-

The Agent of Dominion Lands at Edmonton submits a communication from Mr.W.Wiedrick, in which the latter states that he would like to secure the fractional Section 32, Township 59, Range 27, West of the Fourth Meridian.

Mr.Wiedrick represents that he is desirous of erecting a store and post office which are very urgently needed, on the parcel applied for, and states that, although the N.W.corner of the adjoining Section 33, is held by a church, he fails to see that the disposition to him of the land he desires to secure would be of any benefit to the adjoining land.

The land applied for which is shown hatched in red on the township plan annexed hereto, contains 20.2 acres, but it is not quite clear what bearing Mr.Wiedrick's statement as to the property which he states is held by a church, has on the point at issue. In any event the whole of the W.  $\frac{1}{2}$  of the adjoining Section 33 is vacant in the records of the Department.

## Memorandum:-

I beg to return Mr. Wiedrick's letter, dated Clyde, the 24th November last, applying to purchase fractional section 32, township 19, range 27, west 4th meridian, lying alongside the 5th meridian.

In April last the Agent of Dominion Lands at Edmonton, forwarded to the Department an application from Mr. Wiedrick to purchase fractional section 32, township 19, range 27, west 4th meridian, containing 20.2 acres, upon which he stated Mr. Wiedrick desired to erect a store and Post Office which were greatly needed. The Agent was advised on the 13th June last that the parcel applied for was not for sale.

Another letter has also been received from Mr. Charles E. Guest to have the fractional N.E. 1/4 of the said section 32, containing 10.3 acres, added to his homestead to complete the 160 acres for the 10 acres which were withdrawn from his entry, the N.W. 1/4 of section 33 in the same township, for the purpose of being granted to the Methodist Church, and upon the particulars of the case being submitted to the Deputy Minister, he recently instructed that as it is proposed to grant a church on legal subdivision 13 of section 33, it is possible that the adjoining strip, which Mr. Guest desires to acquire, may be valuable for townsite or public purposes, and that an expression of the views of the Local Agent should

should be obtained.

The Deputy Minister's instructions will now be carried out.

When the land is not required for any special purpose, these small areas are <sup>generally</sup> disposed of to the owner of the adjoining land.

Respectfully submitted,

## Memorandum:

In regard to your request for a statement of particulars in connection with the agreement between the Church and the State to be made to Mr. Weirich in connection with section 32 of the Act, I have to report that the Government has not disclosed the details of the agreement to the Methodist Church but it is understood that it is intended to be made in connection with the Act (section 13) of the Act, or the amendment, the same paying should be made to the Government in connection with the Act in connection with section 32 of the Act. I think that portion of the Act, section 13 of section 32, which it is intended to be made to Mr. Weirich, should be made and the same should be made to the Government. This matter has been discussed and the Government has decided to make it in your hands and control.

Respectfully submitted.

In regard to your request for a sketch and particulars in connection with the area taken by the Church and that to be sold to Mr. Weidrich in fractional section 32 and section 33, township 59, range 27 west fourth meridian, I beg to report that the records do not disclose what shape the 10 acres to be granted to the Methodist Church is to take, but it is assumed that it is intended to be a square of 10 acres (the N.W.  $\frac{1}{4}$  of legal subdivision 13) and, on this assumption, the accompanying sketch has been prepared showing the Church grant in legal subdivision 13 of section 33 coloured in pink, and that portion of legal subdivision 16 of section 32, which it is proposed to sell to Mr. Weidrich, coloured in green and containing an area of 2.61 acres. This sketch has been prepared on an exaggerated scale. I beg to return your papers herewith.

MEMORANDUM:-

Mr. Gordon F. Guest made application to have the N.  $\frac{1}{2}$  of Section 32, Township 59, Range 27, West of the Fourth Meridian, added to his homestead, to compensate him for ten acres which had been withdrawn from his entry for the purpose of being granted to the Methodist Church.

The application came before the Deputy Minister, and he decided that, as it was proposed to erect a church on Legal Subdivision 16, of Section 32, in the same township, it was possible that the adjoining strip applied for, might be valuable for townsite or public purposes, and that it would in consequence, be necessary that the matter should be referred to the Local Agent for an expression of his views.

The Agent now states that he can see no objection, as Mr. Guest is the homesteader of the adjoining fractional area, to the fractional N.  $\frac{1}{2}$  of the said Section 32, being added to his homestead.

In the meantime, under instructions from the Minister, Mr. F. Wiedrick, of Clyde, Alberta, <sup>has</sup> allowed to purchase that portion of Legal Subdivision 16, of the said Section 32, containing 2.61 acres, at \$10.00 an acre, conditional upon his erecting a store building to cost \$1,000.00, and occupying it as a store for one year, (File No. 1574349), so that in any event that portion only of the N.  $\frac{1}{2}$  of Section 32, not included in the sale to Mr. Wiedrick would now be available for Mr. Guest.

Sir;

Re H.O. File # 144137. I am to advise you that the report of the Forester has been in conformity with the Fractional L.S. of 32- - - - -W.H.

Very obedient servant,

*A. M. McKinnon*

A. M. McKinnon

The Secretary,

Department of the Interior,

Ottawa.

These facts were submitted to you in my memorandum of the 27th March last, marked, and Mr. Guest was advised, in accordance with your decision, that, as the surrender of the ten acres in question was voluntary, and the parcel applied for to replace it appeared to be valuable, the Department was unable to grant his application.

With respect to Mr. Guest's statement that the Methodist Church was granted the ten acres nearly a year before he was able to obtain entry, I may say that he would appear to have no ground of complaint on that score, as he made entry with the full knowledge that the ten acres were to be dedicated, and the improvements he states he made on the property before he obtained entry would not constitute ~~it~~ a claim of any kind to the quarter section. Apart from that he had no authority to make the improvements.

Mr. Guest represented in a recent letter addressed to the Secretary that the land was valuable to him as a building site, and expressed the opinion that he should be treated on the same basis as Mr. Friedrich.

Please see the plan, annexed hereto, on which the land to be sold to Mr. Friedrich is shown coloured green, the ten acres to be granted to the Methodist Church, coloured red, the remainder of the quarter section, (Mr. Guest's homestead), hatched in blue, and the portion of the N.  $\frac{1}{2}$  of Section 48, available for the latter, hatched in red.

MEMORANDUM:-

Application of Gordon F. Guest for N. $\frac{1}{2}$  of 33-58-27-W.4th Meridian, to compensate him for the ten acres withdrawn from his entry for the purpose of being granted to the Methodist Church.

With reference to Mr. Guest's letter to the Minister in this matter dated the 6th ultimo, returned to you herewith, I beg to say that the facts of the case are as follows:-

The Deputy Minister's decision was that, as it was proposed to erect a church on the legal subdivision in which the ten acres applied for by the church were situated it was possible that the adjoining strip applied for might be valuable for townsite or public purposes, and that it would in consequence be necessary that the matter should be referred to the local Agent for an expression of his views.

The Agent reported that he could see no objection, as Mr. Guest was the homesteader of the adjoining fractional area, fractional N. $\frac{1}{2}$  of the said section, being added to his homestead.

In the meantime, however, under instructions from the Minister, Mr. F. Fiedrich was allowed to purchase that portion of legal subdivision 16 of the said Section 33, containing 8.61 acres, at \$10.00 an acre, conditional upon his erecting a store building to cost \$1,000.00, and occupied as a store for one year.

DOMINION LANDS AND CROWN TIMBER OFFICE,

H.C.

Edmonton, Alta., January 22, 1913.

Sir,

In accordance with a minute of their meeting, which is enclosed, Messrs. Guest and Lovell of the Hazel Bluff Methodist Church, called on me today, with reference to the fraction N.  $\frac{1}{2}$  of 32-59-27 W. 4th.

Their church is located on 10 acres of legal subdivision 13 in sec. 33 adjoining. This property was acquired from Mr. Gordon F. Guest, and they now ask that their property be allowed to extend westward to the Meridian from the south boundary of their present location, which is 40 chains southerly from the N.W.  $\frac{1}{4}$  of 33; or they ask that Mr. Guest be allowed to acquire the fractional N.  $\frac{1}{2}$  of 32 when they could then make arrangements with him to have the church property extended west to the Meridian line.

A portion of the ~~N.~~  $\frac{1}{2}$  of fractional sec. 32 was at one time applied for by a Mr. W. Wiedrick for a store site. At that time, it was thought that a town would be established in that vicinity, but there is no probability of that now happening, as the railway towns have been established, one about 6 miles east, and the railroad does not touch this particular piece of land.

A report was asked from a Homestead Inspector some time ago, who valued this land at \$10.00 *per acre* when, I understand, there is a prospect of the railway

2855839

of the railway touching that point, but in view of the fact that the homesteader of the S.W.  $\frac{1}{4}$  of the same section was allowed to acquire his land at \$3.00 an acre, I would recommend that Mr. Guest be allowed to acquire the fractional N.  $\frac{1}{2}$  of 32 at the same price, when he could arrange with the Methodist Church for whatever division this property would be suitable to themselves.

*Mr. Guest & Bell inform me that they have left this day*

Memorandum:

Re Spec. N.E. 32-52-27, T. 4th N. 7th W.

10.2 acres.

Shown on the attached sketch outlined in red.

Mr. Gordon F. Groat in December last obtained homestead patent for the adjoining N.E. 1/4 of section 21, less ten acres shown coloured pink on the sketch, a grant of which was authorized to the Methodist Church, prior to Mr. Groat's obtaining his homestead entry.

Mr. Groat repeatedly applied for the land in question in lieu of the said ten acres and the Medical Director's report received in April, 1900, stated that the Canadian Pacific Railway Company was holding lands in the vicinity for \$10.00 an acre and recommended that Mr. Groat be permitted to acquire the parcel in question. Your decision as entered on by me on the 4th August, 1900, (file 144027 herewith) being that the Department would not then dispose of the land.

Again, in reply to renewed applications, Mr. Groat was advised, in accordance with your decision as entered on by memorandum of the 16th December, 1900, hereunder, that his application could not be considered.

The N.E. 1/4 of fractional legal subdivision 16 in the said section 21, containing 8.61 acres and shown on the sketch coloured green was, in March, 1900, sold to Mr. J. W. Groat at the rate of \$10.00 an acre subject to his erecting a store building thereon to cost \$1000.00 and occupying it as a store for one year (Mr. Oliver's decision entered on Mr. Groat's memorandum of the 3rd February, 1900).

In this connection, I would call your attention to the letter of the 22nd January last, hereunder, from the Agent of Dominion Lands at Edmonton who states that the authorities of the Methodist

Commissioner of Dominion Lands.

Methodist Church desire to be permitted to have their property extend westerly so that Mr. Sweet be allowed to acquire the said fractional S. 1/2 of Section 32 when they could make arrangements with him to have their property extend west to the meridian line.

With reference to the permission granted Mr. Friedrich to purchase the said fractional legal subdivision 16 of Section 32, it appears that he has not complied with the conditions of sale and has left the locality.

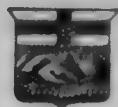

You will observe that the report of the Surveyor General in his preceding paragraph recommends the sale of the land in question to Mr. Sweet at the rate of \$2.00 per acre, at which rate the homesteader of the S. 1/2 of Section 32 was permitted to purchase the fractional S. 1/2 of Section 32.

Sir,-

Re - Polon Angle.  
N.E. 36-10-10-est 4th

In answer to yours of the 23rd ultimo, I  
do to advise that this office communication of October  
27th last addressed to the Deputy Minister, Department  
of Municipal Affairs was in answer to a query from that  
official by way of a list of lands in which the above was  
quoted but no name was connected therewith and as far as  
the file covering this quarter-section shows no indebtedness  
was outstanding against the name.

However, with reference to this office  
communication of the 14th ultimo addressed to Alex. MacGregor,  
Barrister and Solicitor of Medicine Hat, the name was in  
acknowledgment of an Order nisi forwarded by him in which  
the name of Polon Angle was mentioned, and also this Depart-  
ment by way of Liens in favour of the Crown, with the result  
that it was concluded that the indebtedness incurred by  
Mr. Angle on the security of the N.W. 6-11-9-est 4th Meridian  
had become a charge against the N.E. 36-10-10-est 4th  
Meridian through his having acquired a registered interest  
in the same.

## Security.

S. 6-11-9 A. 4th.

At the time the advances were made, the above was the only quarter farmed by Solon Angle, so far as our records show. The seed grain lien was registered on the 8th July, 1916, but there is no information as to the registration of the fodder and relief liens, with the exception of lien for \$166.10, which was included in the seed grain lien. This land is reported to be sandy clay with clay subsoil, 160 acres fit for cultivation. The buildings have all been removed, 130 acres cultivation had gone to weeds in 1925, and there was approximately 30 acres fenced, \$25.00. Our inspector states that the land is fairly level land, stoney in places. Patented in 1911 to Solon Angle.

N. 35-10-10 A. 4th.

According to copy of order 1141 dated the 8th March, last, Solon Angle has at some time since 1915 held a registered interest in the above described quarter section and the 1915 seed grain liens have become registered against this land, which was patented in 1912 to John Phillip Gifford. There is no further record on file as to the interest of Solon Angle. The quarter is being foreclosed by the Credit Foncier Franco Canadian.

According to our inspector's reports, Solon Angle left this district and went to Lincher Creek - where -

Investigation discloses that title to the L.A. 36-10-10-4 stands in the name of an individual other than the debtor free of all liens and the L.A. 36-10-10-4 is accordingly the only security of value.

The debtor is well along in years and in ill health unable to carry on his operations. Title to the L.A. 36-10-10-4 was transferred to a son and the son made an offer through the Municipality of fifty dollars (\$50.00) for a release of the liens. The Secretary-Treasurer of the Municipality was advised that the offer was insufficient and as a result a further sum of one hundred dollars (\$100.00) has been received making the total offered one hundred and fifty dollars (\$150.00).

The original debtor and his wife have suffered considerable illness and it was necessary for the children to come to their aid and contribute financially to the care and maintenance as well as

Cont.

to provide a place for the parents to live with the result that the son has made fairly substantial payments for the assistance of his parents. The land is not of great value being located in one of the dry parts of the Province which is evidenced by the fact that this quarter is assessed for taxation purposes at eight hundred and ninety dollars (\$890.00) only.

The father was one of the early settlers in this part of the Province having obtained the above land as a homestead. Due to climatic and other conditions beyond his control this land is the only asset he was able to accumulate during a lifetime of some considerable hardship and in order that the son may benefit to some little extent from the efforts of his father over a long period it is my recommendation that the offer be accepted, the balance of the account being written off and the liens discharged.

Provincial Seed Grain Advances of six hundred and ten dollars and thirty-five cents (\$610.35) together with accrued interest have already been cancelled.

Yours very truly,

**THE CANADIAN WESTERN  
NATURAL GAS, LIGHT, HEAT & POWER CO. LIMITED**

CALGARY, ALTA.

June 10th, 1914.

Secretary Dominion Lands Branch,  
Department of the Interior,  
Ottawa, Canada.

Dear Sir:-

I hold the above land from the Crown under Preemption on the 5th day of March A.D. 1914. I entered into an Agreement with The Canadian Western Natural Gas, Light, Heat and Power Company, Limited, whereby I agreed to sell to the said company a strip of land containing 1.2 acres, for a right of way for their gas line.

In order that the said company may secure title to this part of their right of way and in addition to the said right, title and interest contained in and in relation to the said strip of land included in the said right of way of The Canadian Western Natural Gas, Light, Heat and Power Company, Limited, upon receipt by you of \$35.70 the purchase price for the same. It being understood that you hold the said money in trust for me and will pay it over to me when I become entitled to a Crown Patent of the said Quarter Section.

**THE CANADIAN WESTERN  
NATURAL GAS, LIGHT, HEAT & POWER CO. LIMITED**  
**CALGARY, ALTA.**

The description of the right of way which have sold to  
The Gas Company and the right of way which have sold to  
as follows: All that part of the North-West Quarter of Section  
Twenty-two (22), Township 17 North, Range Twenty-two (22),  
West of the 10th Meridian, in the Province of Alberta included  
in the right of way of the Canadian Western Natural Gas, Light,  
Heat and Power Company Limited as shown on the plan of right of way  
and Registration District as shown on the plan of right of way shown on  
two one-hundredth maps (1:62,500 scale) dated 1933.

 With reference to your memorandum underneath, and that of Mr. Fortier, I beg to say that while I would not make any suggestions as to ~~change~~ of practice in your Branch, yet the area in this case is ~~very~~ small, being about one acre, the purchase price of which, amounting to \$35.70, is not paid to the owner of the surface rights, but is deposited in the Department to be refunded to him when he is entitled to patent.

*Mr. J. H. Little*  
 The land in this case has practically been expropriated, and no doubt Mr. Turner is not anxious to sell this area to the gas company, and only does so because of the provisions of the Order in Council of the 4th of April, 1912. If you insist upon payment being made of all arrears, he will no doubt prefer to block this sale rather than to make payment, in which case of course the gas company would be the only sufferers.
